Native gardens and wildlife habitats

created in the frame of the

“Children of a green world project”

2022-1-CZ01-KA220-SCH-000085973

Funded by
the European Union

The native gardens and wildlife habitats were created at project partner schools:

- **ZŠ a MŠ Ostrava - Bělský Les, B. Dvorského 1 (Czech Republic)**
- **2nd Primary School of Nafaktos "Giannis Vlachogiannis" (Greece)**
- **Adazu vidusskola (Latvia)**
- **TED Antalya Koleji Özel Ortaokulu (Turkey)**
